

Wilmington, North Carolina

## INTERNSHIP OPPORTUNITY

Wilmington Parks, Recreation & Downtown Services Division is seeking interns and practicum students for Halyburton Park. This 58-acre park houses an events center and nature preserve. The park is utilized for field trips, park tours, nature studies, and facility rentals. Students will work with city staff to develop and implement environmental education programs. Students will assist with opening and closing procedures for the park as well as staffing the events center.

Internships and practicum studies at Halyburton Park will give students the opportunity to learn about the parks and recreation operations on a city level. Students may also assist the outdoor program, Adventure Pathways, by accompanying staff on kayaking, canoeing or backpacking trips. A \$750 stipend is available for the selected individual.

To apply for this position, please visit [www.wilmingtonnc.gov](http://www.wilmingtonnc.gov) (employment)

There are also unpaid internship opportunities available. Weekend and evening work is required. For more information call 794-6001 or visit [www.halyburtonpark.com](http://www.halyburtonpark.com).
